JSE AGRICULTURAL PRODUCTS MARKET NOTICE

Number **A702**

Date **21 August 2006**

Introduction of the Mar07 expiry for the WOPT contract

It was agreed at the last Agricultural Advisory Committee meeting that in future should the second grade white or yellow maize contracts be introduced for a specific season due to grade problems, all the relevant expiry months would be introduced until the end of that specific marketing season. To comply with this, the exchange will introduce the Mar07 WOPT (white maize grade WM2 contract) expiry for trading on the 23 August 2006.

The constant month contracts on Jan07 and Feb07 will be introduced on the applicable dates.

No further expiries will be introduced for this specific season. The reintroduction of the contract will depend on the type of grades harvested in the new season.
