

Market Notice

Number: A1741
Date: 08 January 2013

Deregistration of Overvaal silo as a registered delivery point from March 2014.

The JSE has received a request from Afgri Operations Limited to deregister Overvaal silo as a registered soya, sunflower seed and maize delivery point as from **1 March 2014**. Please take note this delivery point will no longer be an operational grain storage facility as from this date.

Currently there is limited stock stored in the silos. In order to assist with the audit process tracking down the current owners of Safex paper silo receipts, please will the owners of receipts 153999 and 154001 either contact the JSE or Afgri to confirm their contact details.

If there are any further questions regarding this deregistration please feel free to contact me directly.
