## SERVICE HOTLINE

**REFERENCE NUMBER:** 004/2019

8 January 2019

### IDP SECURITY CERTIFICATE EXPIRY – EFFECTIVE 18 JANUARY 2019

Clients are advised that the JSE will be renewing the IDP server security certificate, in line with IT Security best practice. The existing server security certificate is expiring on 19 January 2019.

The new security certificate will be implemented on Friday, 18 January 2019 at 22:30 SAST before the delivery of the All Africa, International Benchmark Indices and BDA dissemination files.

Post the implementation clients will be required to accept the new certificate when accessing the IDP service.

Clients are urged to test connectivity to the IDP service during the course of Saturday, 19 January 2019.

We apologise for any inconvenience this may cause.
