DELAY OF THE DAILY BOND DATA FILE FOR 10 JANUARY 2019

The JSE encountered a technical problem with the production routines on Thursday, 10 January 2019. As a result, the Daily Bond Data File was disseminated on Friday morning, 11 January 2019.

As is customary practice, further analysis of this specific type of problem will be done by the JSE to assess any areas of improvement to minimize impacts of this nature in future.

The JSE apologises for the impact to your operations and to the inconvenience to your users of the data.
