COLOCATION NETWORK EQUIPMENT UPGRADE – MANDATORY TESTING

Please be advised that the JSE will commence with a substantial upgrade to the Colocation Network Equipment on Saturday, 8 February 2020.

To mitigate any potential connectivity issues post the upgrade, we require all Colocation clients to participate in testing their connectivity on this day from 14h00 onwards. The trading and information system will be brought up for adequate testing.

Kindly submit a main point of contact from your firm to our JSE Client Service Centre by no later than Wednesday, 5 February 2020.

Market / Services:

Colocation

Environment(s):

Production
Colocation
