UPDATE ON GO-LIVE OF FTSE/JSE FIXED INCOME INDICES

We would like to thank all clients that have been developing and testing changes, with a special thanks to clients who have provided feedback during the parallel run period.

While go-live is still scheduled for Monday 2 March 2020, the parallel run will be extended by one week. Clients intending to switch to FTSE Russell Fixed Income Indices will retain the ability to do so, as well as the ability to continue testing.

On Monday 9 March 2020, the JSE will discontinue calculation of the JSE Bond Indices and data provision.

The JSE hopes that this extension will further assist clients. A further update will be provided towards the end of next week.

If you have any questions or concerns, please forward them to mdclients@jse.co.za.
