SERVICE HOTLINE

REFERENCE NUMBER: 049/2020

10 March 2020

REMINDER - UPGRADE TO THE COMMODITY DERIVATIVES NUTRON TRADING SYSTEM 2020

As previously communicated on Service Hotline 028/2020 the JSE wishes to remind all Commodity Derivative participants of the upgrade to the Nutron Trading System.

The JSE conducted a mandatory Dress Rehearsal on Saturday, 29 February 2020 for all Trading Members, Clearing Members and Live Information Subscribers.

A second dress rehearsal will be taking on Saturday, 14 March 2020 which will be mandatory for all market participants that did not partake in the initial dress rehearsal and any market participants who wish to test again.

Clients are required to be available for testing from 09h30, please refer to the below high-level schedule:

A	JSE System start up	07h00 - 08h00
B	Connectivity Testing	09h30 - 10h30
C	Trading <ul style="list-style-type: none">Commodity Derivatives and Global Market	10h30 - 12h30
D	Live Market Data <ul style="list-style-type: none">Connectivity to Market Data GatewaysConfirm flow of multicast dataRe-request data	09h30 - 12h30
E	Admin Period and EOD – JSE Will not be balancing to Clearing Members but EOD will be run to ensure that clearing members are able to download data and produce necessary reports.	12h30

Please refer to the below link which has the detailed requirements for the dress rehearsal: File to be saved on Website and link updated in hotline.

Even though there have been guidelines provided on the functionality to test, clients are urged to test their day to day processes as well as downstream systems.

Market / Service:

JSE Commodity Derivatives Market

Environment(s):

Production

Additional Information:

If you have any queries about this announcement, please contact the Client Service Centre on +27 11 520 7777 or

CustomerSupport@jse.co.za

Clients are urged to ensure that they download the latest version of Nutron prior to the Dress rehearsal which is available on the following link: www.jse.co.za/content/Downloads/Nutron_CDM_v03903_DIESEL_TEST.zip

Key contacts for the dress rehearsal from each firm must be sent to CustomerSupport@jse.co.za prior to 12 March 2020 at 10h00 AM in order for them to be added to the relevant SMS and Email contact groups for the day.

Post the test, clients are urged to ensure that they revert to the Production Version of Nutron and Clearing System.

There are no IP address changes required for the Production environment and the IP address is the same.
