## INTERNAL DISASTER RECOVERY TEST 8 AND 9 JUNE 2019

Clients are advised that the JSE will be conducting an internal disaster recovery test in the production environment on **8 and 9 June 2019**. During this test the JSE trading and information systems for all markets will be brought up and test data may be published to clients.

**All clients** who connect directly to the JSE are requested to ensure that their **production systems are shut down** during the weekend to **prevent the receipt and processing of any messages published during the test, or alternatively schedule clean-up activities on your respective systems post the test.**

In addition please note the following:

- End of Day Data subscribers are advised to download their end of day files prior to **08h00** on **Saturday, 8 June 2019**; alternatively files can be downloaded on **Sunday afternoon, 9 June 2019** from **14h00**.
- Please note that BDA services will be **interrupted** on **Saturday, 8 June 2019** on the following times: **08h00 to 20h00**.

Should you experience any problems over the weekend, please contact our Client Services Centre on the after-hours number **+27 11 520 7900** or **+27 83 611 9315**.
