BDA ANNUAL REPORTING FOR IT3B AND IT3C

Members are advised that further to Service Hotline 109/2020, the re-created IT3B file was generated with the 'Test Data Indicator' field populated with 'T' (Test) instead of 'L' (Live).

Members are thus advised to change the Test Data Indicator from 'T' to 'L' before submitting the IT3B file. This field is found within the 'Submission File Header', the very first line in the file.

The due date for the IT3B and IT3C submission to SARS, for the February 2020 annual assessment, is 31 May 2020.

We sincerely apologise for the inconvenience caused.
