25 June 2018

INTEGRATED TRADING AND CLEARING (ITaC) AVAILABILITY OF END-TO-END DOCUMENTATION AND ETE COMMUNICATION LINK

Clients are advised that End-To-End Testing is on track to commence tomorrow, 26 June 2018. The following End-To-End testing documents have been published and are now available for download.

These documents can be accessed under the **End-To-End Testing Documentation** section of the **ITaC page** at the following link: <https://www.jse.co.za/services/itac>.

Document	Update	Description
20180620 ITaC End-To-End Testing	New	This document provides a high level overview of the ITaC End-To-End Testing
ETE Trading and Deal Management Scenarios_EDMFXM_V1	New	This document includes the high level business testing scenarios to be conducted during week 1 of End-To-End testing

To monitor all End-To-End testing communication and progress status, please use the following URL.

<https://www.jse.co.za/services/itac-communications-page>

The page will be updated each week and will retain the daily history of communication. Once a week on a Friday evening, we will refresh the page for the start of the following week's testing.

Please refer all queries relating to these documents via email to CustomerSupport@jse.co.za.
