JSE TRADING AND INFORMATION SYSTEM UPGRADE – ADDITIONAL SOFTWARE PROVIDER, OWN SOLUTION DEVELOPERS & INFORMATION SUBSCRIBER DRESS REHEARSAL - 30 MAY 2020

Further to Service Hotline (107/2020) issued on 5 May 2020, the JSE would like to thank the participants for taking part in the Software Provider, Own Solution Developers and Information Subscriber Dress rehearsal that took place on 9 May 2020.

Testing of the Trading and Information Services functionality proved successful, however during testing there were some connectivity issues experienced. Even though most issues were resolved on the day, we would like to provide clients with the opportunity to do additional testing and resolve any connectivity issues.

The JSE has therefore scheduled another dress rehearsal for Saturday, 30 May 2020. **Please note that this dress rehearsal will be mandatory for Software Providers, Own Solution Developers and Information Subscribers that did not participate in the 9 May 2020 dress rehearsal.**

Clients are reminded that the cut-off date for conformance is 12 June 2020. The Conformance documents are available at the following link:

For clients that will be participating, please send your contact details to our Client Service Centre on CustomerSupport@jse.co.za. Participants are requested to provide the member firms and CompID's that will be used on the day.
