### INCORRECT INSTRUMENT CODE FOR ALSI CONTRACT FOR PERIOD 2 TO 9 JULY 2019

The JSE picked up a technical error with one of the systems that provides input data to the Intraday and End of Day Market Data products, in that the underlying instrument code **ALSI** was mistakenly issued as **TOPI** for the period 02-09 July 2019.

A fix was applied to correct the underlying instrument code from **TOPI** back to **ALSI**. , All other all other values related to this instrument were correct.

Clients are requested to update their systems to correct all instances where underlying instrument code is incorrectly displayed as **TOPI** for the above-mentioned period back to **ALSI** for the below contract as the JSE will not re-issue data records for that period:

Underlying Alpha code	Contract Code	ISIN	Instrument Type Name	Market
ALSI	19SEP19 ALSI	ZAD000000537	Index Future	EDM

We sincerely apologise for the inconvenience cause.
