UPDATED REGISTERED OFFICERS AND TRADERS PORTAL

In November 2016 we launched the Registered Officers and Traders portal, a harmonised process in respect of the registration by members of their traders and registered officers across all markets.

To further enhance the portal we have applied numerous changes ranging from:

- splitting the form per market, to ensure clear requests;
- additional validations, in order to assist users to complete the form correctly;
- lessening the criteria for deactivation requests, and
- questionnaire as part of the applicant review.

The revised online application form for the registration of registered officers and traders across all markets is available on the JSE's website <https://www.jse.co.za/Pages/RegisteredOfficers/Registration.aspx>
