UPDATE, REVIEW AND SIGNOFF OF ALL EQUITY DERIVATIVES AND CURRENCY DERIVATIVES TRADER IDS INCLUDING BACK OFFICE USERS FOR ITAC

Your attention is hereby drawn to the review of the Trader IDs (including automated trading applications) and Back office users that have been created for the Equity Derivatives and Currency Derivative Markets for ITaC. The Client Data Team has distributed the Trader IDs to all members for final review and signoff by the registered Compliance Officers.

Your urgent review and response to any updates or changes to the Trader and Back office user lists is required by no later than close of business on Thursday, 27 September 2018. We require these changes in order to ensure that the correct and accurate list of Traders and back office users have their relevant Trader IDs in order for them to continue trading when ITaC goes live in the relevant market that they are permissioned for.
