### **FURTHER UPDATE: SUSPENSION OF INSTRUMENTS ON THE MTS TRADING PLATFORM**

On 12 September 2019 it was brought to the JSE's attention that a number of Primary Dealers were not balancing their settlement values for instruments traded on the Electronic Trading Platform.

It is confirmed that the fix for the pricing issue in relation to the R213, R214, R2023, R2035 and R2048 will be moved into production on Saturday, 21 September 2019. As such the markets will open on Monday, 23 September 2019 as normal with the above mentioned instruments in an active status.

Please be advised that the fix can currently be tested in the MTS UAT environment.

Once again, we sincerely apologise for any inconvenience caused during this outage.
