DELAY OF THE CORE AND SPECIALIST INDICES NON-LIVE MARKET DATA PRODUCTS DISSEMINATED 20 SEPTEMBER 2019

The JSE experienced processing delays on the evening of Friday, 20 September 2019. As a result, the production and dissemination of the Core (.I.Zip) and Specialist (.SI.Zip) files were unfortunately delayed.

The processing delays were due to:

- The Naspers Corporate Action election results implementation.
- The Indices quarterly review implementation process taking longer than expected to be completed.

The JSE apologises for the impact to your operations and to the inconvenience to your data users.
