DELAY OF THE IRC DERIVATIVES NON-LIVE MARKET DATA PRODUCTS DISSEMINATED 24 AND 25 OCTOBER 2018

The JSE unfortunately experienced technical issues with the production IRC Derivatives Non-Live Market Data products on 24 and 25 October 2018.

The problems were caused by the valuations system experiencing technical issues with generating the files with correct figures, the process was executed manually with correct figures.

The issues resulted in:

- Delay in Clearing members to perform deal management and trade reporting processes.
- Delay in the production and dissemination of IRC (IR.Zip) files.

The JSE apologises for the impact to your operations and inconvenience to your data users.
