DARK TRADING FUNCTIONALITY PHASE 2 RELEASE WEEKEND 16 NOVEMBER 2019

Clients are advised that Saturday, 16 November 2019, has been made available as a Release Weekend in the production environment. This is to facilitate Phase 2 of the JSE Dark Functionality Release as communicated in (Service Hotline 163/2019 and 230/2019).

During this test the JSE Equity, Equity Derivatives, and Currency Derivatives Market Trading and Information System will be brought up and test data will be published. The system is envisaged to be up by 9am for connections and testing.

All clients **NOT** participating in the release are requested to ensure that their Trading and Information **systems are shut down** during the weekend to ensure that they **do not receive and process any test messages** published during the test.

Market/s:

JSE Equity Market
JSE Derivatives Markets

- Equity Derivatives
- Currency Derivatives

Environment(s):
