

SERVICE HOTLINE

REFERENCE NUMBER: 29/2019

13 February 2019

ADDITIONAL GENERAL LEDGER ACCOUNT RANGE

With effect from Monday 18 February 2019 members will be able to add general ledger codes using an additional range of 1000 to 9999. The general ledger range of 17000 to 29999 can still be used.

The additional range was created as some brokers have exhausted the current General Ledger Account number range.

Markets/ Service (s):

BDA – Additional General Ledger Range

Environment(s):

Production
