DELAY OF THE EQUITY DERIVATIVES END OF DAY PRODUCTS DISSEMINATED ON 27 FEBRUARY 2019

The JSE experienced a delay in finalising End of Day balancing activities on the evening of Wednesday, 27 February 2019. As a result the following was impacted:

- Delays in Clearing Members to perform balancing activities;
- Delay of the End of Day process;
- Consequential delay in the production and dissemination of Equity Derivatives (ED.Zip) files.

As is customary practice, further analysis of the delays will be done by the JSE to assess any areas of improvement to minimize impacts of this nature in future.

The JSE apologises for the impact to your operations and for the inconvenience to your data users.
