DELAY OF THE IRC DERIVATIVES END OF DAY PRODUCTS DISSEMINATED ON 27 FEBRUARY 2019

The JSE experienced processing issues on the evening of Wednesday, 27 February 2019. This problem resulted in the dissemination of the Interest Rates and Currency Derivatives file (IR.Zip) being delayed.

The processing issues were due to a spot bond requiring amendments.

In-depth investigations of the issue is being conducted to assess what measures to take to try and mitigate this specific type of problem from happening again.

The JSE apologises for the impact to your operations and for the inconvenience to your data users.
