JSE INTEGRATED TRADING AND CLEARING (ITaC) PROJECT: DATA REFRESH IN CUSTOMER TEST SERVICE MARCH 2019

As per the Client Forum session held 6 March 2019, clients are reminded that the JSE will refresh the data in the ITaC Customer Test Service (CTS) environments (trading, market data and clearing) for the Equity Derivatives and Currency Derivatives Markets on the evening, of **Tuesday, 12 March 2019**.

The CTS data will be refreshed with the 9 March 2019 dress rehearsal data. The related trading reference data client csv files available for download via the Information Dissemination Portal (IDP) will also be refreshed in accordance with the Services Document [Volume 09D - JSE Reference Data Management](#).

Clients are therefore advised that:

- On **Tuesday, 12 March 2019** the **ITaC CTS** environments will be brought down at 16h00 for the refresh and will **not be available** to clients during this time
- **Normal service** for the ITaC CTS environments will resume on **Wednesday, 13 March 2019**

Please contact the Customer Services Centre (CSC) if you have any queries at CustomerSupport@jse.co.za or +27 11 520 7777.
