SUBJECT: APPLICATION BY AFGRI FOR ADDITIONAL SOYA DELIVERY POINT

Name and Surname: Chris Sturgess
Designation: Director Commodities & Key Client Management

Dear Stakeholder,

The JSE has received an application from AFGRI Operations Limited (Registration Number 1995/005872/06) to register the following SOYA delivery point, effective **1 March 2017**:

Storage Point	Owner	Rail Siding #	Closest main road	Capacity (tons)	Indicative Location Differentials
Winterton Bunker	Winterton	No rail	R74	18000	Not applicable

Winterton bunker is already a registered delivery point for maize.

Considering that soya beans do not trade a published reference point and so there are no location differentials applicable, please be mindful that these proposed delivery locations may have an influence on the reference basis pricing as from the new marketing season. Please could market participants consider the above request and should there be any concerns regarding their inclusion as registered soya delivery points please email these to commodities@jse.co.za **no later than 12 May 2016**. We will then publish a final market notice confirming the outcome of the application.

This Market Notice will be available on the website at <https://www.jse.co.za/redirects/market-notice-and-circulars>
