**Name and Surname:** Chris Sturgess  
**Designation:** Director Commodities & Key Client Management

Dear Market Participant,

Please note the MAR17 and MAY17 expiries for SOYA contract will be introduced for trading on Tuesday, 3 May 2016.

The standard storage rates for 2017/18 marketing season will be made available as we get closer to the new season. Participants are again reminded that the JSE trades the underlying grade of product as published by the Department of Agriculture, Forestry and Fisheries in South Africa, should any changes be made to these they will be applied to the applicable derivative contract(s).

Below is the list of SOYA delivery points for the 2017/18 marketing season. Two new applications, namely Standerton Oil Mills operated by Noble Resources South Africa (NBR) and Winterton Bunker operated by Afagri Limited (AFG), will come on board as soon as their applications are approved.
