SUBJECT: EXTENDED LIMITS FOR NEXT TRADING DAY

Name and Surname: Brett Kotze

Designation: Head of Operations: Post-Trade and Information Services

The JSE currently disseminates extended price trading limits for the next trading day for the commodities market by appending the extended limits to the Domestic Futures Price file which is uploaded to the following path on the JSE web –

<https://www.jse.co.za/downloadable-files?RequestNode=/Safex/amdmtm>

To assist members ensure they are aware of the applicable price limits for the next day's trading session, the JSE has created a new file, which includes all price limits on the trading system for the commodities market. This will be uploaded on a daily basis as part of the end of day process, on the following path on the JSE web –

<https://www.jse.co.za/downloadable-files?RequestNode=/Safex/Extended Limits Report>

If further information is required members can contact the Clearing Operations team on 011 5207349 or email address ClearOps@jse.co.za
