SUBJECT: RAIL OUTLOADING HALTED AT ALL NWK SILOS

Name and Surname: Chris Sturgess

Designation: Director: Commodities & Key Client Management

Dear Market Participant,

NWK has notified us that out loading by rail has been halted at all their storage facilities until further notice. JSE was informed that the Railway Safety Regulator has not issued NWK with a renewed operating permit due to an administrative error on the side of the Regulator, and although a number of attempts have been made by NWK to clarify the application process, NWK has not been able to secure an updated permit at this time.

NWK silos are therefore only accessible via road until further notice.

NWK continues with their efforts to resolve this issue with the Railway Safety Operator and will notify all parties as soon as possible once the issues are resolved.

For further queries regards this matter, please feel free to contact Mr. Jerry Maritz, GM Grain - NWK, at (018) 18 633 1174.
