Dear Market Participant,

Please be advised that the listing of Dec15 WEAT contract has been delayed pending the outcome from a series of consultations within the wheat industry. The Wheat Forum, through the JSE Agricultural Advisory Committee, have requested this listing be postponed as their decisions may impact on the quality and grading standards of domestic vs foreign wheat varieties.

A final meeting is scheduled for 15 January 2015 after which we should be able to list the contract. We apologize for the inconvenience caused but hope this is in the best interest of the industry.
