Dear Stakeholder,

The JSE has received an application from Oos Vrystaat Kaap Operations (OVK) (Registration Number 1999/004069/06) to register the following SOYA delivery point, effective only from **01 March 2016**:

Storage Point	OWNER	Nearest existing SOYA registered silo	Rail Siding #	Closest main road	Capacity (tons)
Oranjerivier	OVK	Petrusburg	244759	N12	90000

The above delivery point is already a registered delivery point for other JSE deliverable commodities.

Considering that soya beans do not trade a published reference point and so there are no location differentials applicable, please be mindful that these proposed delivery locations may have an influence on the reference basis pricing as from the new marketing season. Please could market participants consider the above request and should there be any concerns regarding their inclusion as registered soya delivery points please email these to [commodities@jse.co.za](mailto:commodities@jse.co.za) **no later than 11 March 2015**. We will then publish a final market notice confirming the outcome of the application.

This Market Notice will be available on the website at <https://www.jse.co.za/redirects/market-notices-and-circulars>.
