Dear Stakeholder,

This notice serves to revoke notice 168/2015 published on 12 March 2015. The JSE had received communication from the market objecting to the registration of two of the storage locations for SOYA. The two sites being objected to are **Bleskop (BKB)** and **Oranjerivier (OVK)** and some of the reasons being cited are:

1. Soya bean production in these areas is very limited and the concern is that the limited production will result in a distortion of the overall reference price for soya beans traded on the JSE;
2. The said delivery points are located far from the general processors. This therefore implies the transport costs will be substantially more expensive in relation to the other delivery points;

The Agricultural Advisory Committee will also be consulted for their opinion, however we can confirm at this point these two sites will not be considered for registration.

From the notice that was revoked, we can now confirm that the below sites are approved SOYA delivery points effective from **01 March 2016** are:

Storage Point	OWNER	Nearest existing SOYA registered silo	Rail Siding #	Closest main road	Capacity (tons)
Goudkop	BKB	Wesselsbron	No rail	R710	50000
Jan Kempdorp	SWK	Magogong	240869	N18	29331
Losdoorns	SWK	Skoonspruit	542822	R719/R505	123372
Protespan	SWK	Wesselsbron	543225	S532/R719	73171
