**SUBJECT:** ADDITIONAL STORAGE CAPACITY AT SSK REGISTERED DELIVERY POINTS

**Name and Surname:** Chris Sturgess  
**Designation:** Director Commodities & Key Client Management

---

Dear Stakeholder,

The JSE has received confirmation from Sentraal-Suid Kooperasie Beperk (SSK) that they have created additional storage capacities at two of their storage facilities, namely Karringmelk and Swellendam silos. The two storage locations are JSE registered silos for wheat.

The additional storage will increase capacities to 52,000mt and 72,000mt respectively for Karringmelk and Swellendam. Please do take note of this additional capacity added with immediate effect. We will be updating our storage capacity database on the website accordingly.

Should you have any further questions or comments around the additional product, please feel free to pass these onto the commodities team via email [commodities@jse.co.za](mailto:commodities@jse.co.za)
