SUBJECT: ALIGNMENT OF JSE FEES APPLICABLE TO THE MATF WHEAT CONTRACT

Name and Surname: Chris Sturgess
Designation: Director: Commodities & Key Client Management

The JSE earlier this year introduced a cash settled wheat contract referencing the EURONEXT wheat market. The JSE contract code for this product is MATF. To further encourage trading activity for this specific product, the JSE will align its futures contract fee to that of our other international wheat products **with immediate effect**.

This will result in the JSE fee for futures to be R10 per contract (incl VAT) and option fee to be R6 per contract (incl VAT) for all MATF contracts traded.

Market participants are reminded that the trading hours for this product only commences at 10h45 Paris Time, should you be interested in trading this product feel free to contact the committed market maker at CJS, namely Wesley Martens on 011 4473531. RMB have also indicated they intend market making this product early in the New Year.

This Market Notice will be available on the website at <https://www.jse.co.za/redirects/market-notice-and-circulars>
