SUBJECT: CLOSURE OF RAIL LINES SERVICING SWL SIDINGS

Name and Surname: Raphael Karuaihe
Designation: Head - Commodities

Dear Market Participant,

We have been notified by SWL that out loading by rail at Bamboesspruit, Migdol and Schweizer-Reneke storage facilities has been halted by Transnet until further notice due to unsafe Transnet (main rail lines) rail infrastructure. Because of this glitch, no railway wagons can be made available by Transnet and hence no out loading by rail at the moment.

Further announcements will be made as soon as the rail network is made available again.

For further queries on this matter, please feel free to contact Mr. Hannes Pretorius, Customer Service Manager Transnet Mafikeng/Klerksdorp at Tel 018 381 9233 or Cell 083 303 6202
