SUBJECT: MARKET NOTICES OVER T+3 GO-LIVE PERIOD

Name and Surname: Brett Kotze

Designation: Head of Operations – Clearing and Settlement

Dear JSE Stakeholder

Please note that system changes relating to the T+3 project will be deployed this weekend (9 and 10 July 2016), and as such, a series of Market Notices will be sent out over the implementation period to keep the market abreast of progress. The following notice is to inform the market of the different communication checkpoints that will be happening over the next week:

Fri – 8 th July	17h00	Market Notice	Confirmation of the JSE’s technical readiness to initiate production changes over the implementation weekend
Sun – 10 th July	12h30	Market Notice	Confirmation of the success of the technical implementation for T+3 and the outcome of the Go/No-go decision
Mon – 11 th July	09h00	Market Notice	Confirmation of T+3 Go-Live

Further to this, status updates on the deployment progress will be posted on the JSE website, via the following URL: <https://www.jse.co.za/services/technologies/market-communications>

Should you have any queries regarding this notice, please contact T+3@jse.co.za

This Market Notice will be available on the website at <https://www.jse.co.za/redirects/market-notices-and-circulars>
