SUBJECT: JSE TECHNICAL READINESS FOR IMPLEMENTATION WEEKEND

Name and Surname: Brett Kotze
Designation: Head of Operations: Clearing and Settlement

Dear JSE Stakeholder

As part of the lead up to the move to T+3 on the morning of 11 July 2016, the JSE is pleased to announce that it has completed the required technical readiness checks, and will be proceeding with the deployment of changes to our ECS and BDA systems this weekend (9 and 10 July). The JSE has been in extensive communication with market participants throughout the week and readiness for system deployment and internal testing for the weekend are on schedule.

As always we will keep the market abreast of developments over the weekend and will be sending out a market notice on Sunday the 10th of July with feedback on the internal and external deployment and testing that would have taken place over the weekend.

Should you have any queries regarding this notice, please contact T+3@jse.co.za

This Market Notice will be available on the website at <https://www.jse.co.za/redirects/market-notice-and-circulars>
