SUBJECT: LAUNCH OF NEW REGISTERED OFFICERS AND TRADERS PORTAL

Name and Surname: Maria Dalle Ave
Designation: Head: Client Data

Further to market notices 596A/2016 and 597A/2016 issued on 28 October 2016, in which we advised members of the approved amendments to the Derivatives and Interest Rate and Currency Derivatives rules, we are now pleased to launch the **Registered Officers and Traders portal**. The amendments to the rules have harmonised the process in respect of the registration by members of their traders and registered officers across all markets and the portal now houses the new trader and registered officer application form.

The revised registration process will afford members the following benefits:

- A simpler and consistent approach to registrations across all markets;
- Clear detail as to the personal and qualification requirements that are necessary in respect of applicants for registration; and
- Improved turnaround times – up to 3 business days provided that all relevant information has been provided.

The revised online application form for the registration of registered officers and traders across all markets is available on the JSE's website <https://www.jse.co.za/services/technologies> or [Registered Officers and Traders Portal](#).

Please find attached the instruction user guide on how to register a Registered Officer or Trader. This form is effective from 1 November 2016.
