SUBJECT: SORGHUM STANDARD STORAGE RATE FOR 2018/19 MARKETING SEASON INCLUDING REGISTERED DELIVERY POINTS

Name and Surname: Raphael Karuaihe
Designation: Head - Commodities

Dear Market Participant,

Standard storage rate for sorghum (SORG and SGBT contracts)

The standard storage rate for the marketing season 1 May 2018 - 30 April 2019 will be increased based on the PPI rate as published at the end of February 2018, namely 5.1% and so the standard storage rate applied to outstanding storage in completion of a futures contract will increase to **R0.76 per ton per day**.

Please ensure that when making delivery of JSE silo receipts issued in the previous marketing season, all storage is paid up to and including 30 April 2018. Failure to comply means that the storage operator reserves the right to apply a 10% penalty to the total outstanding storage amount as per the JSE Rules.

Registered delivery points

Please note that the attached 49 delivery points (32 Sweet Sorghum, 17 Bitter Sorghum) are registered for delivery all on par since no single reference point exists for the futures contract.

SORG - SWEET (GM1) SILOS			SORG - BITTER (GH1) SILOS
