

Market Notice

Number: A1406
Date: 14 April 2011

Introduction of the March 2012 expiries for the remaining grain contracts

Please note the March 2012 SUNS, SOYA, WEAT and SORG will be introduced for trading on Friday 15 April 2011.

Where applicable the storage rates, origin discount, grade discounts and location differentials for the various products have not being finalized and will only be available closer to the new marketing season.

Participants are again reminded that the JSE trades the underlying grades of products as published by the National Department of Agriculture in South Africa, should any changes be made to these at any time they will applied to the applicable derivative contract(s).
