Dear JSE Stakeholder

Further to market notice A2030, the JSE Commodity Derivatives Market received no objections regarding the application from Keystone Milling Co. (Pty) Ltd (Reg. no 1970/014888/07) to become a JSE approved storage operator in terms of the rules and contract specifications of the JSE. All required undertakings were met by the entity and so the JSE approves the application with immediate effect. Keystone Milling Co (Pty) Ltd who undertakes to honour all receipts issued is signed up with ESC and so will be issuing electronic receipts from day one, their storage operator code will be KSM.

The following depot which is only accessible via road, will be registered for **white maize only**:
