Dear JSE Stakeholder

The JSE has been informed that due to theft of rail infrastructure, the following Suidwes Landbou delivery points will not be able to provide rail access, namely:

**Bamboesspruit silo**  
**Strydpoort silo**  
**Wolmaransstad silo**

Transnet expect the line between Ottosdal and Bamboesspruit to be operational in the next two weeks however the remainder of the rail connectivity will take much longer to repair. Once the connectivity is restored the JSE will update market participants of this. Please also check with the service provider should you want to move grain via rail from these points.

For the avoidance of any doubt, the delivery points remained JSE registered.
