E-mail address: [graameb@jse.co.za](mailto:graameb@jse.co.za)

Members are referred to Market Notice A1988 dated 31 March 2014, which contained proposed amendments to the derivatives rules relating to the introduction of requirements in respect of the use of trading applications by members and their clients. These amendments were made necessary in the context of the introduction of the colocation facility by the JSE and in order to align the derivatives rules with those of the equity and IRC markets, where these rules were already in existence.

The Registrar of Securities Services has, in terms of section 71(3)(c) of the Financial Markets Act, approved these amendments to the derivatives rules with effect from Friday, 11 July 2014.

We attach hereto the following documents:

- Board Notice 69 of 2014 containing the Registrar's approval
- Approved amendments to the derivatives rules
