Dear JSE Stakeholder

Deregistration of Modderrivier as a wheat delivery point

Notice A2082 in which the JSE was requested by GWK Limited (Reg. No.: 1997/022252/06) to deregister one of their wheat storage facilities, Modderrivier, has reference.

After careful consideration of market comments received as well as subsequent consultation with GWK, the JSE has resolved to deregister Modderrivier as a wheat delivery point only as from **30 September 2015**. This means that Modderrivier will continue to be a JSE-registered wheat delivery point for a further 12 months until then.
