The JSE's Equity Derivatives Division will be hosting hands-on training sessions for the NUTRON Trading Front-End as follows:

Dates: 17th to 21st October 2011
Venue: Johannesburg Stock Exchange
Times: 09:00 to 11:00
Parking: 24 Central (next to the JSE building, Gwen Lane)

These training sessions, which are open to all dealers, middle-office and back-office staff, will provide new users with detailed NUTRON training and will serve as a refresher course for current users. To secure your seat kindly email your details to safexops@jse.co.za together with the date of your choice. Your attendance will be guaranteed by a calendar booking from the Exchange. Due to seating constraints, registered Nutron users will be catered for first, on a first-come, first-served basis.

Depending on demand, the Exchange will offer similar sessions in Cape Town and Durban.
