| Date: | Saturday, 7 May 2011 |
| Time: | 11h30 – 18h00 SAST |
| Booking Procedure: | |
| Closing Date: | Thursday, 20 April 2011 |
| Closing Time: | 12h00 |
| Booking Details: | |
| Customer Support | <ul style="list-style-type: none"> • (011) 520-7777 • Email: CustomerSupport@jse.co.za • Please indicate nature of testing when booking, i.e. LCON or unscripted test • No late bookings can be accepted |

Participation in PTW's is optional, only those users who have booked slots for testing will be able to test. The following standard activities form part of the test weekend:

| Type of Testing | Support | Description |
|--------------------------------|-----------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| LCON or Live Connectivity Test | Supported | MANDATORY for new customers or additional enablement's being introduced for existing JSE customers. Users wishing to execute testing on alternate user service access points (USAPs) should book for a LCON slot. |
| Unscripted Testing | Optional & Unsupported | For existing JSE clients who would like to do their own in-house testing in the production environment. |

JSE users, who **are participating** in this test, are to note the following:

- The JSE will provide a **PTW Participant Pack** to booked participants three days prior to the test weekend. The test pack confirms the PTW times, contact details and test schedule.
- The test will be executed in the JSE production environment. Clients are responsible for rolling back test data in their own environments after the test.

JSE users, who are **NOT participating** in this test, must please ensure that their JSE TradElect & InfoWiz Infrastructure is shut down on the Friday evening prior to the test to ensure that they do not receive any test data during the PTW.
