JSE Production Data Centre Power Down 20-21 August 2011

The JSE would like to notify its clients of a scheduled power down to the JSE Production Data Center this coming weekend. The power down is scheduled to take place between 17h00 on Saturday 20 August and 06h00 on Sunday 21 August 2011.

The reason for the power down is to apply urgent maintenance to the supply of power to the JSE Production Data Center.

All JSE clients connecting via the JSE hub will experience a loss of connectivity to the JSE during this time. All service providers providing services from the JSE Production Data Center are aware of the scheduled maintenance.

Should clients have any further queries, please refer to your respective service provider(s).
