JSE Client Connectivity Change

The JSE would like to advise all its clients of a change being applied to the JSE Client Connectivity standards.

As requested by clients the JSE has reviewed the current cap and would like to notify clients of the outcome of this analysis. With effect from 7 November 2011, the revised bandwidth cap will be 20Mbps.

An updated version of the connectivity document will be published on the JSE website at the following link.
