Same Day Settlement Window

Over the past couple of weeks the JSE has noticed an increase in same day settlement issues. Due to the impact of extending the same day window on later payment windows we would like to communicate the official cut-off times with regards to this settlement window.

- The current same day window is open from 11h30 until 13h30
- It can only be extended to 14h00 without serious implications
- If you require the JSE to extend the window from 13h30 to 14h00 we will require an official request supported with a reasonable explanation by **no later than 13h00** on the given day
- The request should be sent to
