Dear Stakeholder,

We have received a written submission from COFCO International South Africa (Pty) Ltd (Registration Number 2003/030380/07) informing us of their intention to de-register **Standerton CFC** as JSE-registered grain delivery point, with immediate effect.

De-registration process will be guided by Appendix D5 (Voluntary de-registration of an approved silo), read together with Appendix D4.4 – 4.6 (De-registration of an approved silo) of our Rules.

We can confirm that this storage point does not have any outstanding JSE silo certificates as at 1 June 2020, and participants who want to manage their positions are advised to use alternative delivery points going forward.

Please could market participants carefully consider the above request and should there be any concerns regarding this de-registration, please email these to [commodities@jse.co.za](mailto:commodities@jse.co.za) by **no later than 22 June 2020**. We will then publish a final market notice confirming final de-registration.

This Market Notice will be available on the website at <https://www.jse.co.za/redirects/market-notices-and-circulars>
