SUBJECT: DEREGISTRATION OF AFGRI STORAGE BUNKERS

Name and Surname: Chris Sturgess

Designation: Director: Commodities & Key Client Management

Dear Stakeholder,

We have received a written submission from AFGRI Operations Limited (Registration Number 1995/005872/06) informing us of their intention to deregister three of their storage facilities, namely, Eerstelingsfontein Bunker (maize), Lichtenburg Bunker (maize), and Vaalkrans Bunker (maize and soya) as JSE-registered grain delivery points, effective from 1 March 2017.

We can confirm that these bunkers do not have any outstanding JSE silo certificates as at 30 January 2017, and participants who want to manage their positions are advised to use alternative delivery points going forward. We will be updating our silos database as we approach the effective date.

Please could market participants carefully consider the above request and should there be any concerns regarding this deregistration, please email these to commodities@jse.co.za by **no later than 17 February 2017**.

If no objections are received by then, we will proceed to deregister these bunkers before the new marketing season kicks in. A market notice will be published, confirming final deregistration.

Should you have any queries regarding this notice, please contact commodities@jse.co.za.

This Market Notice will be available on the website at <https://www.jse.co.za/redirects/market-notice-and-circulars>
