SUBJECT: EARLY INTRODUCTION OF THE MAIZE JUNE 2017 EXPIRIES

Name and Surname: Chris Sturgess

Designation: Director: Commodities & Key Client Management

Dear Stakeholder,

Market Note 77/2017 dated 27 February 2017 has reference. In this market note a proposal was made, as per market request, to deviate from the current standing arrangement (**introduction of constant months 40 business days preceding the expiry month with the exception of April expiry**) and consider early introduction of the Maize June 2017 expiries.

There being no objection from the market, this market notice serves to confirm the early introduction of June 2017 expiries for Maize on the **07 March 2017**. To confirm, the proposed early introduction would only apply to June 2017 Maize expiries.
