DESCRIPTION OF SECURITY ARRANGEMENTS

The below is a brief description of the security arrangements in respect of the Senior Secured Notes and does purport to form part of the Terms and Conditions.

Security Structure Diagram

1. Interpretation

Terms and expressions defined in the Security Sharing Agreement (as defined in Appendix "B" (Additional Terms and Conditions)) and not otherwise defined in this Appendix "A" (Description of Security Arrangements) shall have the same meanings in this Appendix "A" (Description of Security Arrangements). In addition, unless inconsistent with the context:

- 1.1 **Cession in Security (HPF and Fezleource)** means the cession and pledge in security concluded on or about 28 April 2017 by Hospitality and the Debt Guarantor, in terms of which Hospitality pledges, and cedes *in securitatem debiti* its rights, title and interest in, its shares in HPF and Fezleource to the Debt Guarantor;
- 1.2 **Loan Finance Providers** means the Original Facility Lender and each Additional Finance Provider as defined in the Security Sharing Agreement;
- 1.3 **Security** means a mortgage bond, notarial bond, cession in security, charge, pledge, hypothec, lien or other security interest securing any obligation of any person or any other agreement or arrangement having a similar effect.

2. **Description of Security Arrangements**

- 2.1 The Senior Secured Notes constitute direct, senior, unconditional and secured indebtedness of the Issuer, but rank *pari passu* amongst themselves and *pari passu* with any indebtedness incurred to the Loan Finance Providers under the Credit Agreements and with any indebtedness incurred to the Hedge Providers under the Hedging Agreements.
- 2.2 The Issuer may issue second ranking Secured Notes in the future.
- 2.3 The obligations of the Issuer under the Senior Secured Notes will be directly guaranteed and indirectly secured as set out below.

3. **Direct Guarantees**

3.1 *Direct Guarantee by the Debt Guarantor*

The *Debt Guarantor* has irrevocably guaranteed, by way of a guarantee agreement, with an effective date of 28 April 2017, the obligations of HPF, Fezisource, Cullinan, Merway and the Issuer to:

- 3.1.1 each Loan Finance Provider under each Credit Agreement;
- 3.1.2 the Noteholder Trustee (acting for the benefit of the Secured Noteholders) under the Noteholder Debt Guarantee; and
- 3.1.3 the Hedge Providers under the Hedging Agreements.

3.2 *Direct Guarantee by HPF, Fezisource, Cullinan and Merway*

HPF, Fezisource, Cullinan and Merway have irrevocably guaranteed, by way of a guarantee agreement, with an effective date of 28 April 2017, the Issuer's obligations under the Senior Secured Notes, in favour of the Noteholder Trustee (acting for the benefit of the Secured Noteholders).

4. **Security and Guarantee**

4.1 *HPF, Fezisource, Cullinan and Merway*

- 4.2 In terms of the Counter Indemnity, HPF, Fezisource, Cullinan and Merway (as well as the Issuer) indemnify the Debt Guarantor against claims made by the Loan Finance Providers and/or the Noteholder Trustee and/ or the Hedge Providers against the Debt Guarantor under the Security debt guarantees.

- 4.2.1 The obligations of HPF, Fezisource, Cullinan and Merway under the Counter Indemnity are secured by:

- 4.2.1.1 the Cession in Security; and
- 4.2.1.2 the Mortgage Bonds.

4.3 *Issuer*

The obligations of the Issuer under the Counter Indemnity are secured by the Pledge and Cession.

5. **Risks relating to the Security Structure**

5.1 As set out above, the Security will not be granted directly in favour of the Secured Noteholders. Instead, the Security will be granted in favour of the Debt Guarantor.

5.2 As a result, neither the Noteholder Trustee (acting for the benefit of the Senior Noteholders) nor the Secured Noteholders will have the right to realise the Security directly. Instead, the Noteholder Trustee (acting on the instructions of the Senior Noteholders) must in accordance with the Security Sharing Agreement, instruct the Enforcement Agent, to call a meeting of the Finance Providers where the voting Finance Providers would be required to vote in favour of any realisation of Security in accordance with the terms and conditions of the Security Sharing Agreement. This indirect claim in respect of the Security may result in a delay in realisation or could involve voting Finance Providers voting against the realisation of the Security.

2. **GUARANTEE**

2.1 **Guarantee and indemnity**

With effect from the Effective Date, the Debt Guarantor irrevocably and unconditionally, as a principal obligor and not merely as a surety and on the basis of a severable and discrete obligation enforceable against it, whether or not any or all of the Guaranteed Obligations are enforceable against the Obligors in respect thereof:

- 2.1.1 guarantees to the Noteholder Trustee (in its capacity as trustee, acting for the benefit of the Secured Noteholders) the punctual performance by the Obligors of all the Guaranteed Obligations when and as the same become due;
- 2.1.2 undertakes with the Noteholder Trustee (in its capacity as trustee, acting for the benefit of the Secured Noteholders) that whenever an Obligor does not pay any amount of the Guaranteed

Obligations, the Debt Guarantor shall immediately on written demand from the Enforcement Agent (acting for itself or for any other Finance Party) in accordance with the requirements of Clause 2.2 (*Form of demand*), pay that amount as if the Debt Guarantor was the principal obligor;

- 2.1.3 agrees with the Noteholder Trustee (in its capacity as trustee, acting for the benefit of the Secured Noteholders) that if any obligation (including any item which would have been an obligation but for the unenforceability, invalidity or illegality of that item) guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that the Noteholder Trustee (in its capacity as trustee, acting for the benefit of the Secured Noteholders) immediately on demand against any cost, loss or liability it incurs as a result of an Obligor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under the Guaranteed Obligations on the date when it would have been due. The amount payable by the Debt Guarantor under this indemnity will not exceed the amount it would have had to pay under this Noteholder Debt Guarantee if the amount claimed had been recoverable on the basis of a guarantee; and
- 2.1.4 guarantees to the Noteholder Trustee (in its capacity as trustee, acting for the benefit of the Secured Noteholders) payment of all Accruing Demand Interest.

2.2 **Form of demand**

Any demand for payment of any amount of the Guaranteed Obligations in terms of Clause 2.1 (*Guarantee and indemnity*) (as applicable) shall be delivered to the Debt Guarantor together with the demand for which it is required and shall specify the amount being demanded and, if applicable, the amount of interest or default interest accruing thereon as specified in the relevant Finance Document (**Accruing Demand Interest**). A demand for payment of Accruing Demand Interest need not quantify the amount of interest or default interest, as the case may be, to be so paid by the Debt Guarantor, up to the date of payment, but may instead specify the rate at which it so accrues and the method of its calculation, so that the amount of Accruing Demand Interest to be paid by the Debt Guarantor can be determined from the demand itself and paid up to the date of payment.

2.3 **Continuing guarantee**

This Noteholder Debt Guarantee is a continuing guarantee and will extend to the ultimate balance of all the Guaranteed Obligations, regardless of any intermediate payment or discharge in whole or in part.

2.4 **Reinstatement**

- 2.4.1 If any discharge, release or arrangement (whether in respect of any of the Guaranteed Obligations or any security for the Guaranteed Obligations or otherwise) is made by the Noteholder Trustee (in its capacity as trustee, acting for the benefit of the Secured Noteholders) in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, business rescue or otherwise), then the liability of the Debt Guarantor will continue or be reinstated and the Noteholder Trustee (in its capacity as

trustee, acting for the benefit of the Secured Noteholders shall be entitled to recover the value or amount of that payment, discharge, release or arrangement from the Debt Guarantor, as if the discharge, release or arrangement had not occurred.

2.4.2 The Noteholder Trustee (in its capacity as trustee, acting for the benefit of the Secured Noteholders) may, without prejudice to its rights under the Noteholder Debt Guarantee, concede or compromise any claim for avoidance or restoration of a payment, security or other disposition made to it, under another Finance Document or otherwise.

2.5 **Waiver of Defences**

2.5.1 The obligations of the Debt Guarantor under this Noteholder Debt Guarantee will not be affected by an act, omission, matter or thing which but for this provision, would reduce, release or prejudice any of Debt Guarantor's obligations under this Noteholder Debt Guarantee or on which the Debt Guarantor may otherwise be able to rely on a defence based on prejudice, waiver or estoppel (without limitation and whether or not known to it or the Noteholder Trustee (in its capacity as trustee, acting for the benefit of the Secured Noteholders)) including:

2.5.1.1 any time, waiver or consent granted to, or composition with, any Obligor or any other person;

2.5.1.2 the release of any Obligor or any other person under the terms of any composition or arrangement with any creditor of any Obligor or any other person;

2.5.1.3 the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect, or election not, to perfect, execute, take up or enforce any rights against, or security over assets of, any Obligor or any other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

2.5.1.4 any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;

2.5.1.5 any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of any Finance Document or any other document or security including without limitation any change in the purpose of, any extension of or any increase in any facility or the addition of any new facility under any Finance Document or other document or security;

2.5.1.6 any unenforceability, illegality, invalidity, suspension or cancellation by or of any Finance Document or any other document or security;

2.5.1.7 any insolvency, liquidation, business rescue or similar proceedings (including, but not limited to, receipt of any distribution made under or in connection with those proceedings);

2.5.1.8 the Noteholder Trustee (in its capacity as trustee, acting for the benefit of the Secured Noteholders) receiving a dividend or benefit in any insolvency liquidation, business rescue, compromise, composition or similar proceedings, whether in terms of statutory enforcement of the common law; or

2.5.1.9 any Finance Document not being executed by or binding against any other guarantor or any other party.

2.5.2 The Noteholder Trustee (in its capacity as trustee, acting for the benefit of the Secured Noteholders) shall not be concerned to see or investigate the powers or authority of any Obligor or its directors, officers or agents. Guaranteed Obligations incurred in the purported exercise of such powers or authorities or by any person purporting to be or represent that Obligor shall be deemed to form a part of the Guaranteed Obligations, and Guaranteed Obligations shall be construed accordingly.

2.6 **Guarantor Intent**

Without prejudice to the generality of Clause 2.5 (*Waiver of defences*), the Debt Guarantor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental) variation, increase, extension, amendment, novation, supplement, restatement, replacement or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents.

2.7 **Immediate Recourse**

The Debt Guarantor waives any right it may have of first requiring the Noteholder Trustee (in its capacity as trustee, acting for the benefit of the Secured Noteholders) (or the Enforcement Agent or any other trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from the Obligors or any other person before claiming from the Debt Guarantor under this Noteholder Debt Guarantee. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

2.8 **Additional Security**

This Noteholder Debt Guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by the Noteholder Trustee (in its capacity as trustee, acting for the benefit of the Secured Noteholders).

2.9 **Renunciation of Benefits**

The Debt Guarantor renounces, to the extent permitted under applicable law, the benefits of each of the legal exceptions of excussion, division, revision of accounts, no value received, no cause of debt and cession of actions, and declares that it understands the meaning of each such legal exception and the effect of such renunciation.

2. **GUARANTEE**

2.1 **Guarantee and Indemnity**

With effect from the Effective Date, each of the Guarantors hereby (as principal obligor and not merely as surety) jointly and severally, irrevocably and unconditionally and on the basis of a severable and discrete obligation enforceable against each of the Guarantors whether or not any and all of the Guaranteed Obligations are enforceable against the Issuer:

- 2.1.1 guarantees to the Noteholder Trustee the due and punctual performance by the Issuer of the Guaranteed Obligations;
- 2.1.2 undertakes to the Noteholder Trustee that whenever the Issuer does not pay any amount or perform any obligation, as the case may be, when due and payable under or in connection with

the Guaranteed Obligations, that Guarantor shall immediately on demand pay that amount or perform that obligation, as the case may be, as if that Guarantor was the principal obligor;

2.1.3 indemnifies the Noteholder Trustee and it holds it harmless on demand against any loss, liability or cost suffered by the Noteholder Trustee if any obligation guaranteed by the Guarantors is cancelled or suspended entirely, partially or conditionally, including but not limited to:

2.1.3.1 any damages suffered by the Noteholder Trustee contemplated in section 136(3) of the Companies Act; and/or

2.1.3.2 any claim which the Noteholder Trustee has or may have against the Guarantors for restitution,

arising as a result of the exercise by any business rescue practitioner of the powers granted to it in accordance with section 136(2) of the Companies Act. The amount of that loss, liability or cost shall be equal to the amount which the Trustee would otherwise have been entitled to recover; and

2.1.4 agrees with the Noteholder Trustee that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify the Noteholder Trustee immediately on demand against any cost, loss or liability it incurs as a result of the Issuer not paying any amount or performing any obligation, as the case may be, which would, but for such unenforceability, invalidity or illegality, have been payable by or due for performance by, as the case may be, it under the Guaranteed Obligations on the date when it would have been due for payment or performance, as the case may be. The amount payable by the Guarantors under this indemnity will not exceed the amount they would have had to pay under this Agreement if the amount claimed had been recoverable on the basis of a guarantee.

2.2 **Ultimate Balance**

This Guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by the Issuer under the Guaranteed Obligations, regardless of any intermediate payment or discharge in whole or in part of the Guaranteed Obligations.

2.3 **Reinstatement**

If any payment by the Issuer or any discharge, release or arrangement given by the Noteholder Trustee (whether in respect of the obligations of the Issuer or any security for those obligations or otherwise) is avoided or reduced for any reason (including, without limitation, as a result of insolvency, business rescue proceedings, liquidation, winding-up or otherwise):

2.3.1.1 the liability of the Issuer shall continue as if the payment, discharge, avoidance or reduction had not occurred; and

2.3.1.2 the Noteholder Trustee shall be entitled to recover the value or amount of that security or payment from the Issuer, as if the payment, discharge, avoidance or reduction had not occurred.

2.3.2 The Noteholder Trustee shall be entitled to concede or compromise any claim that any such payment, security or other disposition is liable to avoidance or repayment.

2.4 **Waiver of Defences**

The obligations of each Guarantor under this Agreement in respect of the Guaranteed Obligations will not be affected by an act, omission, matter or thing which, but for this Clause 2.4 (*Waiver of Defences*), would reduce, release or prejudice any of its obligations under this Agreement (without limitation and whether or not known to it or the Noteholder Trustee) including, without limitation:

2.4.1 any time, waiver or consent granted to, or composition with, the Issuer or any other person;

2.4.2 the release of the Issuer or any other person under the terms of any composition or arrangement with any creditor of the Issuer or such other person;

2.4.3 the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, execute, take up or enforce, any rights against, or security over assets of the Issuer or any other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

2.4.4 any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of the Issuer or any other person;

2.4.5 any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of the Secured Notes or any other document or security;

2.4.6 any unenforceability, illegality, invalidity, suspension or cancellation of any obligation of any person under this Agreement or any other document or security;

2.4.7 any insolvency, liquidation, winding-up, business rescue proceedings (whether, without limitation, provisionally or finally, voluntarily or compulsorily) or similar proceedings in respect of the Issuer otherwise becoming subject to any other legal liability or to any law for the benefit or assistance of debtors and/or creditors, or entering into or becoming subject to any scheme of arrangement or compromise; or

2.4.8 this Agreement or any Applicable Pricing Supplement relating to the Secured Notes not being executed by or binding against the Issuer or other guarantor or any other party.

2.5 **Immediate Recourse**

Each Guarantor waives any right it may have of first requiring the Noteholder Trustee to proceed against or enforce any other rights or security or claim payment from any person before claiming from any of the Guarantors under this Agreement. This waiver applies irrespective of any law or any provision of this Agreement or the Secured Notes to the contrary.

2.6 **Appropriations**

Until all amounts which may be or become payable by the Issuer under or in connection with the Guaranteed Obligations have been irrevocably paid in full, the Noteholder Trustee (or the Enforcement Agent or any other trustee or agent on their behalf) may:

- 2.6.1 refrain from applying or enforcing any other moneys, security or rights held or received by the Noteholder Trustee (or the Enforcement Agent or any other trustee or agent on their behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and the Guarantors shall not be entitled to the benefit of the same; and
- 2.6.2 hold in an interest-bearing suspense account any moneys received from the Guarantors (in their capacities as such) or on account of the Guarantors' liability under this Agreement.

2.7 **Deferral of Guarantor's Rights**

Until all amounts which may be or become payable by the Issuer under or in connection with the Guaranteed Obligations have been irrevocably paid in full and unless the Noteholder Trustee (or the Enforcement Agent or any other trustee or agent on their behalf) otherwise directs, none of the Guarantors will exercise any rights which they may have by reason of performance by them of their obligations under this Agreement or the Secured Notes or by reason of any amount being payable, or liability arising, under this Agreement:

- 2.7.1 to be indemnified by the Issuer;
- 2.7.2 to claim any contribution from any other guarantor or provider of security for any of the Guaranteed Obligations;
- 2.7.3 to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Noteholder Trustee under the Guaranteed Obligations or of any other guarantee or security taken pursuant to, or in connection with, the Guaranteed Obligations by the Noteholder Trustee;
- 2.7.4 to bring legal or other proceedings for an order requiring the Issuer to make any payment, or perform any obligation, in respect of which the Guarantors have given a guarantee, undertaking or indemnity under this Agreement;
- 2.7.5 to exercise any right of set-off against the Issuer; and/or
- 2.7.6 to claim or prove as a creditor of the Issuer in competition with the Noteholder Trustee.

If any Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Noteholder Trustee by the Issuer under or in connection with the Guaranteed Obligations to be paid in full on trust for the Noteholder Trustee and shall promptly pay or transfer the same to the Noteholder Trustee for application in accordance with Clause 3 (*Payment Mechanics*).

2.8 **Additional Security**

This Guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by the Noteholder Trustee. The rights of the Noteholder Trustee hereunder are in addition to and not exclusive of those provided by law.

2.9 Without prejudice to (a) representations and warranties provided by any Guarantor under any Finance Document or (b) the obligations of the Guarantors under the Finance Documents or (c) the rights or remedies of the Finance Providers under the Finance Documents (including any rights of the Finance Providers pursuant to the occurrence of a Default), this guarantee does not apply to any liability to the extent that it would result in this guarantee constituting unlawful financial assistance within the meaning of sections 44 and 45 of the Companies Act.

2.10 With respect to any Additional Guarantor, this guarantee is subject to any limitations (if any) set out in the Accession Undertaking applicable to such Additional Guarantor.

3. **PAYMENT MECHANICS**

- 4.1.12 The claims of the Secured Noteholders against it under this Agreement shall rank at least *pari passu* with the claims of all its other unsecured unsubordinated creditors, save for obligations mandatorily preferred by law.
- 4.1.13 In entering into this Agreement and the other Finance Document to which it is a party, and in performing their rights and obligations thereunder, it acts and will continue to act solely for its own account.
